The bids are binding and irrevocable, the listed catalogue numbers are valid. The Buyer must pay, in addition to the bid price, a premium of 30 % per sale. The premium already includes statutory V.A.T. but, due to differential taxation under Section 25a of the German Turnover Tax Act (UStG), is not stated. An exception are lots with an asterisk \* before the catalogue number. They are to be sold with V.A.T. and are calculated in line with standard taxation, i.e. statutory turnover tax (currently 19 %) is levied on the bid price plus 28% premium.

**Absentee written bids:**

We will attempt to execute an absentee bid at the lowest possible price taking into account the reserve price. If identical absentee bids are received for the same lot, the written bid received first will take the precedence. We cannot accept liability for any reasonable error or failure to place such bids.

**Telephone bids:**

You have the possibility to bid for lots with an lower estimate of 300,- Euro. We will endeavour to execute these bids on your behalf but we will not be liable for any errors. Telephone bids may be recorded.
